Brief Description of Problem_____

How did you find us?_____

Can we modify your fan to run all the time (highly recommended for video repairs) Y____ N____

By allowing us to modify your fan it will increase the longevity of your laptop and decrease temperatures up to 20 degrees Celsius, this along with our fan clean out, fresh thermal paste and heat sink modification your laptop will finally run cool. Allowing your fan to run at all times is crucial to the longevity of your laptop.

Please Read and Sign Below, Disclaimer, Affordable Computer Solutions of Durango CO is not responsible for damage during shipment to facility. Please package laptops with great care using at least 2" of cushioning on each side. Please see our shipping guide for help.

We cannot be held responsible for any and all data loss due to repair work, please back up your data accordingly. Repair and Shipping times are estimates, exact repair and shipping times vary greatly and can be affected by repair type, inventory and many other factors. You at any time have the right to cancel your repair work, in this case you will only be held accountable for return shipping costs. We reserve the right to install used parts in certain situations unless otherwise agreed upon. All repairs come with a 1-year limited in house warranty from the date of purchase against defects in workmanship and materials. We are very concerned with the privacy of your data; we agree to never use or share any data or information that is held on your computer.

I agree to the above disclaimer and give Affordable Computer Solutions Permission to work on my Computer.
